Product (Vendor)	System-level license?	Who Purchases?	Description & Contact Info	Integration possible with D2L?	Status/Issues/ Dependencies
Wiggio	No	Free	<p>Wiggio offers a free tool for learners to collaborate in their study groups, project teams, clubs, sports teams, or extracurricular organizations. Can be used inside or outside of D2L, as the product does integrate with D2L.</p> <p>This is not a tool that is part of the D2L learning environment, but rather an external 3rd party web-based tool that students access on their own as a work space. It is not managed by faculty or campus site admins. For this reason, it may have limited appeal.</p>	Yes	<p>Implementation Roles? <u>Step 1:</u> Consultation on LTI integration with System Office Administrator <u>Step 2:</u> Campus Site Administrator implements</p> <p>Master agreement addendum is required</p> <p>Activities within Wiggio groups are naturally not visible to faculty unless the Wiggio groups are setup to allow faculty to see student activities</p>
