

Minnesota State Colleges and Universities Conference Reception – Lake of the Isles

Thursday, Feb. 25th, 2016 4:30pm-6:00pm

Please join your Student Affairs and Diversity colleagues for a time to **socialize, enjoy hors d'oeuvres, and network** with one another (a cash bar will also be available).

All conference participants are invited to a **reception and award ceremony** after concurrent sessions end on Thursday afternoon.

The reception will include a short award ceremony during which the recipients of the 2016-2017 Inclusive Excellence Grant Awards will be announced. We hope to see you all there!
