**When:** Wednesday, April 20, 2022 from 02:00 p.m. to 03:00 p.m. Central Time Zone via Zoom.

**Register now!**
- Then, add event to your calendar. Look for invitation in your Focused or Other inbox.
- C-PLAN webinars are recorded for future viewing. Minnesota State faculty and staff can view on MediaSpace when logged in with StarId.

**Curious about the newest CPL coding and transcripting recommendations?**

Join us at this webinar, which will provide an overview of taskforce recommendations for coding and transcripting CPL (credit for prior learning).

The aim of the recommendations are to:

- increase consistency and transparency of CPL codes.
- facilitate easier transfer for students with external CPL.
- improve data collection of CPL impacts on persistence and completion.

Join us to review these recommendations and provide your feedback. We’ll also dive into how, starting in 2023, these recommendations are part of broader CPL policy and procedure review at Minnesota State. Don’t miss out on opportunities to offer suggestions for changes to better serve students!

**By attending this webinar, you will be able to:**

- Learn about the taskforce recommendations for coding external CPL, in the aim of greater consistency across campuses and more informative transcription.
- Provide feedback on the recommendations presented.
- Understand the broader policy issues to be reviewed in 2023.

Minnesota State Credit for Prior Learning Assessment Network (C-PLAN) offers continuing development on all the things campuses want to know about implementing and sustaining good CPL practice. These events benefit advisors, transfer specialists, student services staff, program directors, faculty, administrators, and others involved in CPL policy and practice on their campuses by encouraging cross-functional and cross-campus discussion.

Increase your involvement by joining the listserv or become part of a workgroup.
