

## Equity and Inclusion

# Faculty Learning Communities

with embedded Short Course

**Build a community with colleagues in your field of study from across Minnesota State campuses in a virtual learning community, exploring a topic with a tangible outcome.**

### What to Expect:

- Receive individual pedagogical support from an equity coach and instructional designer
- Explore and discuss an array of evidence-based interventions that can be made within a course to support culturally responsive pedagogy
- Receive compensation in the form of release credit equivalency (RCE) of \$1750 in combined salary and fringe\*
- Participate in virtual check-ins with your colleagues
- Receive a copy of the book *Culturally Responsive Pedagogy and the Brain* (Hammond, 2015)
